**Hurricane Proof: Weathering Life's Stresses  
 Foundations: Solid vs Shifting**

- **Welcome!**
- **Worship Songs:**
  - Yes I Will
  - Your Love Defends Me
  - Surrounded By Holy

**Scripture:** James 3:13-18, Luke 6:47-49

**Synopsis:** Today, we open up a new Message Series on making our lives "Hurricane Proof!" Will we use fenders and posts like they do for a pier at the beach? Will we use storm shutters and weatherproofing materials like they do on homes near the shore? (Not exactly!) But it is going to be a message series that invites us to consider the foundations of our faith, particularly in how we approach the Bible. The Quadrilateral describes one way to help interpret Scripture to know what to do when the storms are headed our way. It says to approach each circumstance or issue through: 1- Scripture, 2- Tradition, 3- Reason, and 4- Experience. These 4 elements help us see God's plan and the very character of God at work in any given situation. Go ahead and give it a try... what is GOD saying to YOU? What would cause your foundation to be even more ready for the storms that might be ahead?

Today, let's all work at getting Hurricane-Proof in our faith!

- **Worship Songs:**

  - My Feet Are On The Rock
- **Final Prayer & Dismissal**
